Play Anything Music Therapy

Position Description — Registered Music Therapist

THE ORGANISATION

Play Anything Music Therapy has been operating in the Hunter and Central Coast region since 2017, providing group and individual music therapy sessions to children and adults.

You will be working alongside a team of 4 dedicated RMTs and Director Carlin McLellan.

THE ROLE

We are looking for a motivated RMT to join our team on a casual basis — **4 hours per fortnight (Wednesday afternoons)** — with potential to increase hours and days.

Key Activities

- Provide individual Music Therapy sessions to identified client groups at our clinic and at client's homes (approximately 65% of the role).
- Undertake administrative processes that support service delivery, record keeping, reporting and evaluation (approximately 25% of the role).
- Contribute to planning and development discussions about program design, innovation, and client outcomes (approximately 10% of the role).

Key Outcomes

- Development of Music Therapy Treatment Plans for clients, aligned to NDIS goals where applicable.
- Completion of administrative duties including liaising with stakeholders.
- Clinical notes, evaluation and reporting tasks accurately completed.
- Active contribution to team discussions, informed by professional reading and contemporary industry practice.

What We Offer

- Competitive salary.
- Supportive, welcoming and creative team environment.
- Regular professional supervision.
- Access to a substantial catalogue of instruments and electronic music devices.
- Specialised training in music technology and recording practices.
- Flexible work options.

THE PERSON

Essential Criteria

- Post-graduate qualifications in Music Therapy.
- Active registration with the Australian Music Therapy Association (RMT).
- Current driver's licence and use of own car where required.
- NSW Working with Children Check.
- NDIS Worker Screening Check.
- Police check required upon commencement.

Experience

- Demonstrated experience in intake, music therapy assessment, and 1:1 and group therapy programs for children and adults.
- Experience working with children and adults with developmental and intellectual disabilities.
- Experience working with children with Autism Spectrum Disorders.
- Experience delivering online music therapy sessions.

Skills & Qualities

- Confident communicator with individuals of various ages and abilities.
- Strong interpersonal skills and experience supporting individuals with complex needs and behavioural challenges.
- Creative and innovative thinker with strong problem solving abilities.
- Strong IT skills.
- Ability to work independently and as part of a team.
- Genuine desire to make a difference through the power of music.
