EVERYONE CAN PLAY SONGBOOK #2

BY CARLIN MCLELLAN
REGISTERED MUSIC THERAPIST

INTRODUCTION

Welcome!

This songbook was developed as a resource that anyone can use to learn familiar tunes on the piano.

The songs are roughly ordered from easiest to hardest.
Use stickers or a whiteboard marker to write the notes on your keyboard as in the picture below.

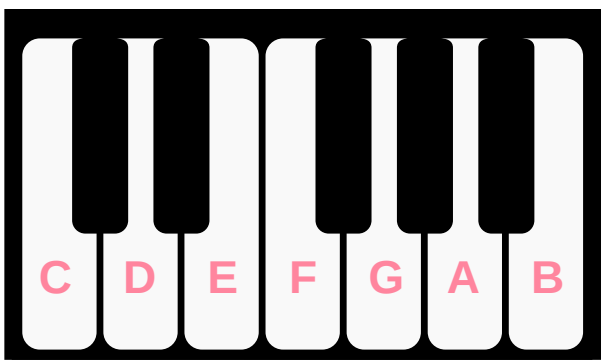

I have created a number of video tutorials demonstrating how to play the songs which can be accessed on Youtube:
https://www.youtube.com/channel/UCXF_oegYE1VnxeLvaZi-nBQ

If you have any ideas, suggestions or song requests I would love to hear from you.

Email your suggestions to: carlin@playanything.com.au

Happy music-making!

ANOTHER ONE BITES THE DUST

Main riff:

A G E E E E E G E A

Lyrics

Steve walks warily down the street
With the brim pulled way down low
Ain't no sound but the sound of his feet,
Machine guns ready to go

Are you ready, hey, are you ready for this?
Are you hanging on the edge of your seat?
Out of the doorway the bullets rip
To the sound of the beat

Another one bites the dust
Another one bites the dust
And another one gone, and another one gone
Another one bites the dust
Hey, I'm gonna get you, too
Another one bites the dust
